# **Challenge One: Cultural Conflicts**

**Definition based different political, cultural and historical background**

**Measuring volunteering service in 2001**

**Measuring governance in Asian areas in 2003**

## Distribution of volunteer events by type of organization, Chinese volunteers aged 18 and older, 2001

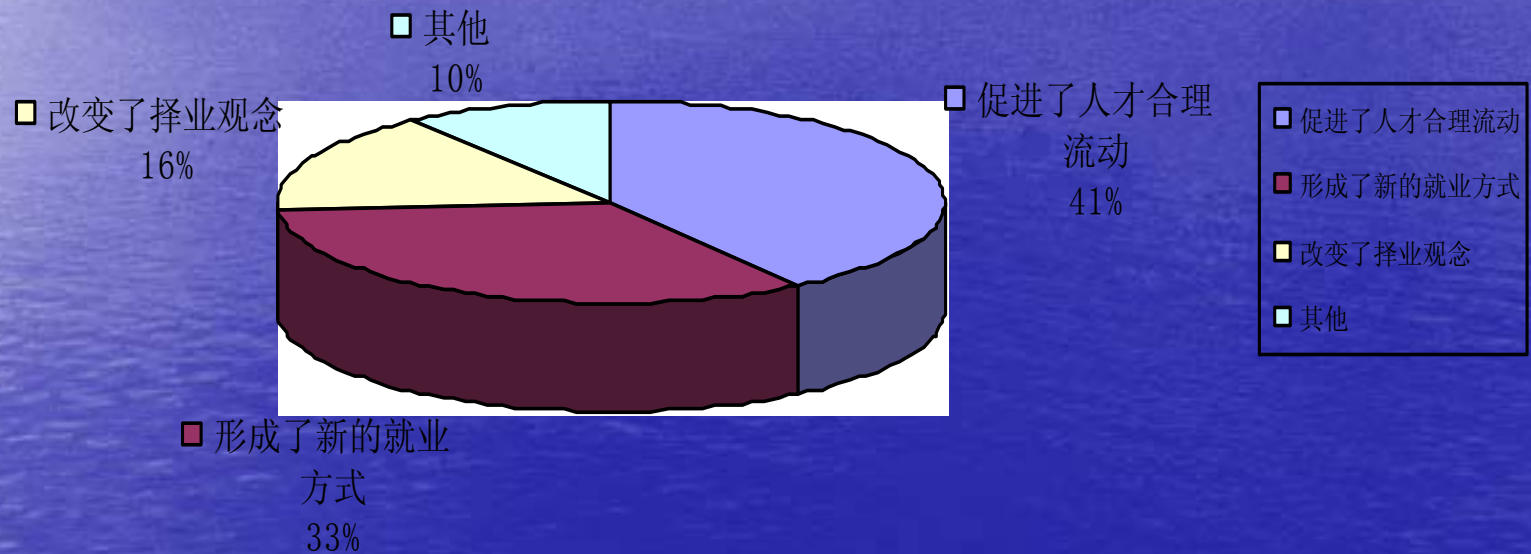

volunteers were asked if one of the reasons they volunteered was because they were required to do by their unit or government.

# Challenge Two: Independent Evaluation

- An evaluation conducted by CYVA
- Another evaluation conducted by BYVA
-

# The Impacts of Go West Volunteer Program

Survey, CYL, 2006

# Challenge Three: How Can be Sustainable?

- **A Sustainable funding**
- **Integrating into government development planning, MDGs**
- **UNDP governance indicators**

# Gaps: Objective and Subjective Indicators

- How to get a truth by questionnaire?
- How to develop objective indicators, and integrate them into national statistical system?

*Thank you!*
